STUDIO POLICY

Billing Cycle

Tuition payments can be made once a quarter or once a month. Quarterly payments will be charged the first day of the following months: September, December, March, and June. Students will be enrolled in auto-pay on the first of every month.

Tuition & Fees

Returning students will continue to be billed at the initial rate they contracted. They will not have a rate increase. Our tuition structure is based on a "yearly package" deal rather than a weekly lesson rate. The annual tuition will be evenly divided into 11 payments for 44 lessons per year.

A one-hour session outside of a recurring monthly contract is \$90 per hour.

A non-refundable enrollment fee of \$50 per student is due at the beginning of each school year on September 1st. This fee covers the cost of group materials, studio lending books and technology, and studio recitals.

Payments include a reserved weekly time slot. Additional fees may apply for * Group Classes, Studio Master Classes, and other events.

Additional information is on our Student Form available at <https://www.themonalislife.com/studio-policy>

Studio Cancellations

30 days notice is required if a student decided to discontinue lessons. Any lesson that I have to cancel will be rescheduled.

There is no refund or credit for missed lessons.
